

Role Description

- Title:** Education Volunteer
- Location:** Across the Wessex area (East Dorset, South Wiltshire and Hampshire) and to our Head Office in Salisbury. Depending on availability, location, and ability to travel across the Wessex region.
- Responsible to:** Tracy Standish, Senior Education Officer

Background

Wessex Rivers Trust (Wessex RT) is an environmental charity, dedicated to the protection and conservation of rivers and chalk streams in the Wessex area. Wessex RT is part of the Rivers Trust movement; the umbrella organisation helping to protect and enhance most of the UK's rivers.

The Trust acknowledges that educating and engaging with a wide and diverse audience is essential to sustaining long-term interest in our local rivers and chalk streams and empowering local communities to take ownership of these precious rivers.

To deliver on this ambition, the Trust offers an education programme to all areas of Wessex and is seeking additional support for its education staff in the delivery of sessions to school groups, home education groups, youth groups (e.g. Scouting and Guiding) and at public 'pop up' events.

Role summary and purpose

The Education Volunteer will assist the education staff with the delivery of the Trust's River Education Programme to predominantly primary school groups across the Wessex area, along with home education groups, youth groups and some secondary school groups. These sessions include interactive assemblies, riverbank sessions and classroom sessions along with other activities, like wildlife walks and night walks.

The Education Volunteer will assist the Education and Engagement Team to run public events, educating a cross section of society about their local river. There will also be opportunities for Education Volunteers to contribute to Wessex Rivers Trust communications work, such as blog posts, magazine articles, social media and event display interpretation boards.

Hours

Hours are to be determined by the Education Volunteer, taking into account their availability and their location in relation to interested schools and groups.

Frequency will depend on bookings, there is likely to be a higher demand from March to October.

Generally, the delivery of sessions occurs within these times:

- School groups – term time weekdays 9am – 3pm
- Uniform groups – term time weekdays 5pm – 9pm
- Events – weekends 10am – 4pm

General support work can be carried out any time that suits the volunteer.

Main Duties

1. Assisting with the preparation and setting up of activities.
2. Providing support to children during the activities, including helping them identify river invertebrates.
3. Cleaning river dipping equipment post session and packing away other equipment.
4. Supporting the Education and Engagement Team at community events and educating the public about their local river.

Skills and Abilities

1. Ability to communicate with a wide range of audiences.
2. Genuine enthusiasm and passion for educating people about rivers and chalk streams across the Wessex area.
3. Willingness to work with children and young people whilst in the river.
4. Basic water safety training will be provided.

Why volunteer for Wessex RT?

1. The opportunity to learn more about chalk stream heritage and wildlife.
2. The opportunity to champion the regions chalk streams and highlight the pressures they face, helping to safeguard them for future generations.
3. The opportunity to meet other local people with similar interests.
4. Receive support and training from Wessex RT staff.
5. Being involved in enjoyable, outdoor activities.

Miscellaneous

1. All Education Volunteers will be required to undergo a DBS check and provide satisfactory references.
2. Ideally participants would have their own transport or be able to travel around the local area. Mileage expenses will be paid at 45p per mile as set out in HMRC's Approved Mileage Allowance Payment.
